Policy A - Pre-Travel Policy

How Your Pre-Travel Policy Works

This part of **your** insurance document shows details of the pre-travel insurance policy, the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim. It is essential that **you** read it. The policy is a contract between **us** and **you**. **We** will pay for any event, as set out in the policy that happens during the period from time of booking and purchase of the policy to date of travel for which **you** have paid the appropriate premium.

All numbers and letters shown under 'For each insured-person this insurance will not cover' refer to the same numbers and letters under 'For each insured-person this insurance will pay' Where no letters or numbers are shown it applies to the whole section. **You** are required to disclose any **material facts** otherwise **your** policy will not cover **you** and it may invalidate it altogether.

When Your Pre-Travel Policy Starts and Ends

The cover on cancellation, as described under section A under the pre-travel policy, starts from the date the **trip** booking was made after the policy was issued and ends when **you** leave **home**. No further **trips** are covered.

Disclosure of Pre-Existing Medical Conditions

Your policies may not cover claims arising from **your pre-existing medical conditions** so **you** need to tell **us** of anything **you** know that is likely to affect **our** acceptance of **your** cover.

Pre-existing medical conditions - so that **we** can ensure **you** are provided with the best cover **we** can offer please read the following questions carefully:-

 - any heart or circulatory condition;
 - a stroke or high blood pressure;
 - a breathing condition (including asthma);
 - any type of cancer;

2. In the last 2 years have **you**, or anyone who is travelling with **you**, been treated for any serious or re-occurring medical condition, asked to take regular prescribed medication, or referred to a specialist or consultant at a hospital for tests, diagnosis or treatment?

If **you** have answered '**Yes**' to any of the above questions **you** must tell **us**, **we** may be able to offer some cover and may be able to cover **your** medical condition, although an increased premium may be required. To enable **us** to consider **your** medical condition please contact Travellers HealthCheck on **08456 582 999**. This will be charged as a local call from wherever **you** are calling in the **United Kingdom** or the **Channel Islands**. All calls will be treated in the strictest confidence.

3. **You** must also tell **us** if:
 - **you** are waiting for tests or treatment of any description;
 - **your** doctor alters **your** regular prescribed medication.

You need to keep copies of all letters we send **you** for future reference. **Your** failure to disclose any **material facts** may mean that **your** policy will not cover **you** and it may invalidate it altogether. **We** reserve the right to charge an increased premium, decline, withdraw, increase the policy excess, cancel or restrict cover for any person where the facts disclosed are considered unacceptable to **us**.

Should **we** require any additional premium, and **you** accept **our** offer, this should be paid to Travellers Healthcheck either by credit card or cheque, made payable to URV, and sent within **14** days of receipt. Should **you** decide not to pay the additional premium the declared health condition will not be covered.

Full confirmation of **our** terms and conditions will be sent out to **your** address after **your** call. Any additional health conditions not declared to **us** will not be covered.

Any terms and conditions declared under this policy will also be recorded under **your** travel insurance policy so that **you** do not need to declare these twice.

Policy B – Travel Insurance Policy

How Your Travel Policy Works

This insurance document shows the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim, how to obtain legal advice (if **you** have **Longstay cover**), and how to contact the **24** hour emergency assistance service. It is essential that **you** read it. The policy is a contract between **us** and **you**. **We** will pay for any event, as set out in the policy, that happens during the period of cover for which **you** have paid the appropriate premium.

Your travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for **365** days of the year. There is a maximum amount **you** can claim for each individual item. **Valuables** are not covered on the **Backpacker cover** and, on the **Longstay cover**, there is a maximum amount in total for **valuables** which is shown under the **personal possessions** section. The **personal possessions** section is not 'new for old' and wear, tear and depreciation will be deducted.

Your policy covers treatment of medical conditions in emergency and which will respond quickly to treatment. It is not intended to cover **you** for recurrent or long term treatment and in these circumstances, bearing in mind the advice given by **our** Chief Medical Officer, **we** reserve the right to transfer **you** to a state hospital, where adequate facilities are available, or repatriate **you** to **your home country**.

All numbers and letters shown under 'For each insured-person this insurance will not cover' refer to the same numbers and letters under 'For each insured-person this insurance will pay' Where no letters or numbers are shown it applies to the whole section.

When Your Travel Policy Starts and Ends

The cover under all sections starts at the beginning of **your trip** as shown on **your** Schedule of Insurance and ends on **your** return **home** or expiry of the policy, whichever is the first.

Return Home Cover

Cover under Policy B, travel insurance, is extended to include **2** return **trips to your home country** for a period of up to **21** days per **trip**.

When using the return **home** extension all cover is suspended on clearance of customs in **your home country** and restarts after the baggage check in at **your international departure point** for **your** return **flight**, international train or ferry to **your** overseas destination. All cover ceases if **you** have made a claim or intend to make a claim under the Curtailment section.

Extension of Period

In the event of **your** death, injury or illness or that of anyone travelling with **you** or because of delay or failure of **public transport** services **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.

Stopovers

The maximum amount of time **your** policy allows for a stopover outside **your** selected geographical area is **7** days unless the appropriate additional premium has been paid and **your** policy endorsed in writing.

Change in Medical Condition or Ongoing Medication

If **your** health or **your** ongoing medication changes between the date the policy was bought and the date of travel **you** must advise Travellers HealthCheck on **08451 300 340** as soon as possible.

We will advise **you** what cover **we** are able to provide after the date of diagnosis.

We reserve the right to increase the premium, increase the excess, exclude the condition or cancel the cover should the stability of the condition make it necessary.

What to do in the Case of a Medical Emergency Abroad

IN CASE OF SERIOUS EMERGENCY – First call an ambulance using the local equivalent of a **999** call. While **you** wait for the ambulance contact **our medical assistance service** which is open **24** hours a day and **7** days a week to offer **you** advice in this emergency situation. **We** strongly suggest **you** put their telephone number **+44 (0) 845 260 3 260** into **your** mobile phone before **you** travel so that it is to hand should **you** need it. Speak to the ambulance driver and get details of the hospital **you** are being taken to so that **our medical assistance service's** doctor will be able to obtain a medical report at the earliest possible opportunity.

WHAT THE MEDICAL ASSISTANCE COMPANY NEEDS FROM YOU - When **you** call **our medical assistance service** in an emergency **you** need to have some basic information for them to hand:

- **your** telephone number so **you** can be contacted on in case **you** are cut off
- the name and age of the patient and as much information about the medical situation as **you** are able to provide
- the name of the hospital, the ward, the treating doctor and the telephone numbers if **you** have them
- **your** policy number and details of **your** booked travel arrangements
- the patient's GP details, name, address and phone number, in case they need to obtain information on current medical conditions and treatment.

MINOR ILLNESS OR INJURY - If **you** need to see a doctor in Europe or Scandinavia then ask **your** hotel reception or tour representative for the address of the nearest public medical facility. In Europe **you** should show them **your** EHIC card, medical treatment will be free or at a reduced cost and **you** will not be required to contribute towards the claim as the policy excess will be reduced to NIL. **You** will only be covered for the cost of private medical treatment in these countries if this is approved in advance by **our medical assistance service** on **+44 (0) 845 260 3 260**. Elsewhere it is advisable to seek advice on where to go for treatment from **our medical assistance service** if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin **your trip** by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for **our medical assistance service** to move **you** to a more suitable facility.

HOW TO PAY FOR YOUR TREATMENT - Outpatient bills for less than **£500** should be paid at the time and claimed on **your** return. It is very important to obtain an itemised receipt for any monies paid for medical treatment.

If **you** are admitted to a medical facility then **you** may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to Travel Claims Facilities at: PO Box 420, Hadlow, Kent, TN9 9DE, UK.

Our medical assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of **your** claim has been established.

WHAT HAPPENS IF I MISS MY BOOKED FLIGHT DUE TO ILLNESS? – Don't worry, provided **you** have contacted **our medical assistance service** **your** policy will be automatically extended to cover **you** until it is agreed that **you** are fit to travel home. **Our** medical assistance service will liaise with **your** treating doctor and **you** and once **you** are fit to travel, they will make appropriate alternative arrangements.

WHAT IF YOU WANT TO COME HOME EARLY? - This policy covers **you** to come home early because **you** are ill **only** if medical treatment is not available locally. If **you** are thinking of cutting short **your trip** because **you** are not well then **you** must contact **our medical assistance service** on **+44 (0) 845 260 3 260** for advice first. If **you** need to come home for any other reason, such as the illness of a **close relative** in **your home country** then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured. If **you** are not sure whether **your** particular circumstances are included in the cover then call Travel Claims Facilities on **+44 (0) 8453 707 133** between **9.00 am** and **5.00 pm** UK time for advice.

Applicable to Both Pre-Travel and Travel Policies
